

Drainage Board

June 4, 2007 – 12:46 pm

Meeting called to order by President Logsdon. Members Logsdon, Rininger, Gogel, Surveyor Sublett, and Attorney Robinson were present.

Surveyor's Report

Sublett stated that he has met with Bernard Hurm and is going to have Doug Knepper look at the problem.

He is documenting obstructions and talking to area farmers.

Logsdon thanked Sublett for a job well done on the 2006 Surveyors Report.

AEP

Logsdon asked Sublett if he has met with Ingram regarding the drainage at AEP. Sublett said not yet due to Ingram being in an auto accident. Logsdon asked where the excavating being done is located. Painter stated it is on CR 300 and CR 400, north of SIGECO substation near Grandview. Logsdon asked about the concern expressed by Bruce Kanipe about the water not moving. Sublett stated that about a year ago he looked at it and elevations will have to be taken. Logsdon stated the area around Grandview may qualify for a drainage grant for low to middle income areas and the area Kanipe is acquiring may be available for an economic development grant. Logsdon asked Gogel to check with Indiana 15 when he attends the next meeting.

Legal Report

Robinson stated he completed the contract with K & K discussed at the prior meeting. Gogel made a motion to sign the contract. Rininger seconded. All in favor.

Robinson stated that he has a draft of the ordinance concerning major unregulated drains and he will email it to the Auditor for distribution.

Robinson also gave the board his claim for the legal work done for the drainage committee. Logsdon stated that the council had said that they would pay for the legal work needed. Rininger made a motion to request an additional to pay for the legal services in the amount of \$1,210. Gogel seconded. All in favor.

Other business

Logsdon stated that another meeting of the drainage committee needs to be called this week.

Gogel made a motion to adjourn. Rininger seconded. All in favor. The meeting was adjourned at 12:06 pm.

Drainage Board,

President
